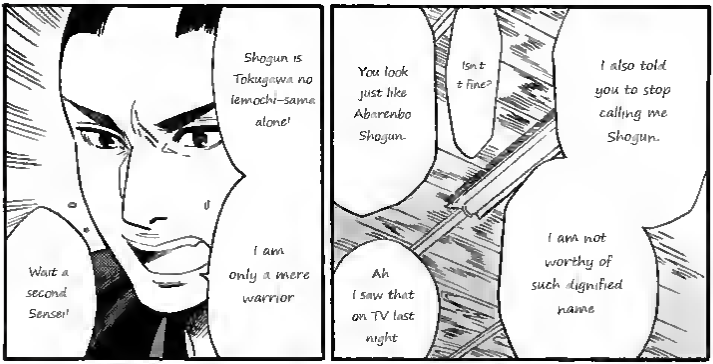
Sensei!
This is for you!
We made bento during Home Economics today
How horing!
We already made this.
Forgive me
We did our best
Eh? But why?
I am afraid I must to decline your offer
How ever
I am grateful
Hou!

I left my wife back in my village
I do not deserve to receive such gift
Please do understand!
Eh... well. It's not like we'll be troubled if you refused
...anyway, sorry, Sensei.

[Chapter 1] Samurai, Appear!

Sensei!
Sensei!
Sensei, I don't understand. Can you help me with this?
Wait, I'm going over there.
Sensei me too!
I told you to wait
Slow down and think calmly!
Sensei me next!
Sen-sei
Hmm?
Read the previous paragraph one more...
Really? Let's trade.
Uwah. Awe one. Rare card.

Same thing!
Shogun-sama It's not Bokkemon, it's Pokemon
I told you not to bring Bokkemon cards here!
Oh shit! Busted!
Hey, what do you think you are doing?



Shogun is Tokugawa no Iemochi-sama alone!
I am only a mere warrior
Wait a second Sensei!
You look just like Abarenbo Shogun
Isn't it fine?
I also told you to stop calling me Shogun.
I am not worthy of such dignified name
Ah I saw that on TV last night

Well, I guess that is how it is now
Yes!
.....
According to Japanese history the last shogun is not Iemochi, but the 15th Tokugawa Yoshinobu
Iemochi might still be alive back in your time, but saying that the Shogun is Iemochi is an error by education standard

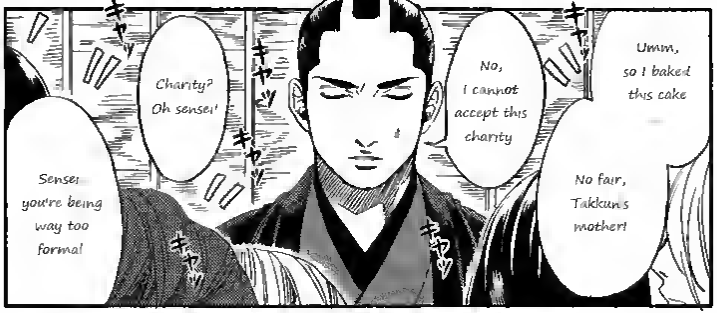
Goodbye Sensei!
Sense, bye bye!
Sensei, good work today as always!
Good work!
Thank you for today!



Umm, so I baked this cake
No fair, Takkun's mother!
No, I cannot accept this charity
Charity? Oh sensei!
Sensei you're being way too formal

And please stop pulling out that beep beep sounding plate in front of me
I can not calm down.
Kyahaha! We told you this is called a smart phone!
Mom!
Let's go home
Oh my! Sensei is so cute!
Then I will be leaving
Eh? Right now?
Seria-usly
See you tomorrow Sensei!
Farewell!

Sensei!

Saeki-dono!
Good work today as usual
How are you doing with the kids?
Well they were rowdy.
but at least they respect me.
That's already enough.
But other than that ...
Fufu!
You're amazingly popular with the mothers I see.
No, that's ...

But well ..
I think it won't be a problem if you received a bento from your students
Did you see that?
Fufufu!
It reminds me about when you came here a month ago.
.....

No ifs and buts! Mm-hm. Do not call me "My Lord".
Eh? Please no, My Lord!
Until you are done with your Kanji exercise, I shall confiscate this toy.
You move it in the direction of an arrow.
Oh, am-zing!
.....
He has no discipline at all!
Ah!
Sensei, I'm done with my Kanji drill!
